In **DIALOGUES**, photographer Roger Minick engages in a free-associating conversation with a new series of photographic images he has created combining montage, drawing and color manipulation apps in iPhone.

From this conversation, Minick then composed word responses—blank verse poems, five couplets long—which he paired opposite its image counterpart.

Perambulation Press offers **DIALOGUES** in a limited edition of 100. The book (52 high-quality full-color reproductions) is hardbound (9"x11") with dust jacket, and includes an original, signed and numbered 13"x13" print from the book, purchaser's choice. Signed and numbered book and print: \$200.
