For more than four decades, photographer Roger Minick has been exploring the back roads of America, making dozens of road trips alone and with his family. Between 1996 and 1998, he made a total of six road trips, driving for more than 50,000 miles the width and breadth of the United States of America.

From the hundreds of photographs Minick made during these years of travel comes AMERICAN BIOGRAPHICS, a book offering a timely and personal look at the unique visual interplay between America's mythic past, ironic present and uncertain future.

Perambulation Press offers AMERICAN BIOGRAPHICS in a limited edition of 100. The book (86 high-quality B&W reproductions) is hard bound (9"x11") with dust jacket, and includes an original, signed and numbered 13"x13" print from the series, purchaser's choice. Signed and numbered book and print: \$200.
